Descrizione

Psion WAP G2 Family - Industrial PDA

Modelli

7527C-G2-CE5
- WorkAbout PRO Colour G2, 256 MB Flash, 128 Mb RAM, Bluetooth, Standard battery door (no battery). Operating System: MS Embedded CE 5.0

7527C-G2-WM6C
- WorkAbout PRO Colour G2, 256 MB Flash, 128 Mb RAM, Bluetooth, Standard battery door (no battery). Operating System: MS Windows Mobile 6 Classic

7527S-G2-CE5
- WorkAbout PRO Colour Small G2, 256 MB Flash, 128 Mb RAM, Bluetooth, Standard battery door (no battery). Operating System: MS Embedded CE 5.0

7527S-G2-WM6C
- WorkAbout PRO Colour Small G2, 256 MB Flash, 128 Mb RAM, Bluetooth, Standard battery door (no battery).
Operating System: MS Windows Mobile 6 Classic

Internal RFID Controller

Read Range up to 10 cm. Software Library (SDK ambiente Windows .NET) + Sample Demo software.

9916-310-00

-

ID WAP RFID HF a 13,56 MHz

Vicinity/Proximity Multi ISO-NFC (ISO14443-A/B, Mifare, ISO15693 & NFC). Antenna integrata.

9916-320-00

-

ID WAP RFID UHF EPC

. RFID UHF-EPC Integration Kit for Psion WorkAbout PRO G2. Controller UHF 500 mW (EPC Class 1 Gen 2 & ISO 18000-6B) with internal UHF linear antenna in Multi-Purpose EndCap. Read Range up to 100 cm. Software Library (SDK Windows Mobile .Net) + Sample Demo software.

9916-320-01

-

ID WAP RFID UHF EPC-NF

. RFID UHF-EPC Integration Kit for Psion WorkAbout PRO G2. Controller UHF 500 mW (EPC Class 1 Gen 2 & ISO 18000-6B) with internal UHF inductive antenna (proximity coupling for item-level applications) in Multi-Purpose EndCap. Read Range up to 15 cm. Software Library (SDK Windows Mobile .Net) + Sample Demo software.

9916-330-00

-

ID WAP.UHF EPC-HP

. RFID UHF-EPC Integration Kit for Psion WorkAbout PRO G2. Controller UHF (EPC Class 1 Gen 2 & ISO 18000-6B) with external high performance UHF T-antenna and in Multi-Purpose EndCap. Read Range up to 300 cm. Software Library (SDK Windows Mobile .Net) + Sample Demo software.

Note

Applicazioni Mobili Industriali. Retail. Identificazione Automatica, tracciabilità e rintracciabilità, localizzazione di beni e persone. Inventari. Asset Management. Servizi di manutenzione.
