Description

ID RED.MRU80-M2-A.

RedWave Short Range Controller UHF EPC RS232 in case for 2 external multiplexed UHF antenna (not included).

Antenna port: 2 x SMA-female plug. Host Interfaces: RS232.

Operating frequency: 860 to 960 MHz (software adjust) UHF EPC Class 1 Gen 2 - ISO 18000-6.

RF power up to 170 mW.

Power consumption: max. 2 W.

Power supply: 5 Volt via RS232 cable.

Read Range up to 200 cm (depending on tag & antenna gain).

Controller UHF: RedWave Short Range Controller UHF EPC RS232

Dimensions: 94x63x27 mm.

Reader modes: FEIG ISO Host Mode, Scan Mode.

Firmware upgradable.

Included RS232 cable with plug for power (Power Supply not included, use 1689-000-00).

Prezzo unitario indicativo per quantitativi d'ordine di inferiori a 9 pezzi.

Contattarci per quantitativi superiori.
