ManufacturerRedWave

Description

Small size & Low cost Short Range UHF Controller. Near Field Item Level Tag DeskTop and Mobile applications, Access control, Terminals and booking systems, Industrial short range applications.

Frequenza/Standard Interfacce & I/O Antenna Applicazioni

Operating frequency: 860 to 960 MHz (software adjust).

Standard: UHF - EPC Class 1 Gen 2 - ISO 18000-6C.

Host Interfaces: USB 2.0.

USB: 2.0 Full Speed 12 Mb/s

2 LED

Antennas: 1 x integrated Near Field Antenna (for Item Level Tag) & 1 x SMAfemaleplug for external UHF antenna.

Internal UHF Multiplexer.

Range: Up to 200 cm.

RF power up to 170 mW.

Power consumption: max. 2W.

Housing: ABS-94HB.

Gray/Dark Gray rubber sides

Dimension:110x69,5x28 mm

Protection class IP 30

Peso: 120 g.

Same protocol of all FEIG’s controllers (HF & UHF)

Anti-collision

Reader modes: FEIG ISO Host, Scan Mode, keyboard emulation.

Firmware upgradable.
